

BIBLE READING GUIDE // FROM THERE TO HERE

//OVERVIEW

Jesus claimed he came to help humans live life to the full. A lot of us fill our lives with a lot of things, but don't necessarily feel like we're living a full life. What does that even mean? What would that even look like?

The Apostle Paul believed knowing how to live stems from knowing who you are. He believed discovering your true self doesn't happen instantaneously, but incrementally, as you move from one way of living to another, as you follow Jesus from there to here.

We want to encourage you to follow along in our series with a daily Bible reading plan. By following this guide, you'll read a few verses at a time over the next 35 days. You will probably have some questions and gain some insights along the way, so to help you get the most out of your time we've included a simple, yet powerful tool called SOAP:

//SCRIPTURE

Open your Bible and read the suggested verses. Find something that specifically spoke to you.

//OBSERVATION

What do you think God is saying to you in this scripture? Ask the Holy Spirit to teach you. Paraphrase and write these verses down in your own words.

//APPLICATION

How does this apply to your life right now? Perhaps it is instruction, encouragement, or correction for a particular area in of your life. Write how this can apply to you today.

//PRAYER

This can be as simple as asking God to help you use this scripture, or it may be greater insight on what he may be showing you. Be sure to listen to what God has to say and write it down.
