

## **Storyline** week one

### **//DISCUSS**

- Q1 – What sort of story is your life telling? Do you like the story your life is telling?
- Q2 – In what ways might I be entertaining myself with other people's stories (social media, movies, TV, etc) in order to avoid taking accountability for my own?
- Q3 – Where do you tend to turn when things are not going well for you and who is it to turning you into? Do you like that? Where else or who else could you turn to, to become who you want to be?
- Q4 – What is an example from your own life where something that you ultimately needed came in the form of something you never wanted?
- Q5 – Redemption: Not everything happens for a purpose, but God pulls purpose out of everything that happens. In what way have you seen God do this in your life? Is there anything right now that you are waiting to see the purpose God can pull from pain?

### **//MEMORIZE**

Romans 8:28 (NLT)

And we know that God causes everything to work together for the good of those who love God and are called according to his purpose for them.

### **//PRAY**

Pray for one another. Pray that we would learn from the Bible and allow it to point us towards Jesus and being more like him.
