

THE *Big* GIVE

THE GOAL IS TO GIVE YOUR BEST GIFT TO GOD THROUGH THE SOUTH HILLS
'ABOVE & BEYOND' DESIGNATION BETWEEN NOV 27TH — DEC 4TH

Following Jesus means trusting Him and modeling our lives after Him. Jesus is God in human form. And **God is a giver**. In fact, everything we have is from God—our life, breath, relationships, passions, and personalities. **He challenges us to show the world what He's like by living generously, just like Him.** 2 Corinthians 9:11 frames it this way, "You will be enriched in every way so that you can always be generous. And when we take your gifts to those who need them, they will thank God." This passage is a picture of people giving out of what God gave them to their local church and watching as that church met the needs of their community, turning people toward the love of God. **The idea behind the BIG GIVE is to collectively push past our existing giving "comfort zones" to make a big impact that ripples into our communities and eternity.**

Starting Goal

MAKE BUDGET

To fully make budget this year, **we need to receive \$1,560,429.00 before the end of December.** What inspires us is the potential of everyone who calls South Hills home giving their best possible gift during the same week and closing our current budget gap in a single seven-day stretch. We know it sounds ambitious. But isn't that how all miracles start? With a big God-inspired goal and a bunch of people willing to use what they have for a Kingdom cause. And when you do the math, **making our budget equals out to every household giving roughly \$2520.** What would it look like for you to put your head together with your spouse, your kids, or your roommates and collectively give that amount during our BIG GIVE window?

CAMPUS CARE

God has currently entrusted us with nine South Hills Campuses, all of which are making a difference in their areas, and all of which require resources to ensure they are

fully staffed, supported, and empowered to grow larger in number and deeper in faith both now and in the coming year.

BEYOND SUNDAY

We don't just want to offer Sunday services, but continually create spaces, beyond our weekend experiences, for people to grow spiritually and connect relationally alongside

others. We do this by resourcing groups, ministries, and events.

Stretch Goal

After we make budget, one hundred percent of what's given to South Hills for the remainder of the year will be channeled to outside organizations and individuals in need through the following avenues:
