

The Blessed Life: week two

How To Live a Truly Blessed Life

//DISCUSS

Q1 – Have you ever felt stressed or overwhelmed, so you cleaned your house or organized a closet or drawer and felt somewhat better?

If an area of our life lacks peace, it's likely an aspect of it is out of order.

Q2 – Have you ever noticed a need and met it; noticed someone in need and took it upon yourself to meet that need?

What was that like? How did it feel?

Q3 – What does giving God your first and best mean?

What does this look like in your life?

Exodus 23:19 (NASB) You shall bring the choice first fruits of the soil into the house of the Lord your God.

Q4 – Do you trust God? Why or why not?

In what ways has he shown himself faithful to you in the past?

Q5 – What do you need to rearrange to regularly prioritize percentage giving with every paycheck?

Do you have an idea of what or where you would cut or rearrange to make a consistent percentage giving happen?

Talk with your spouse or partner?

Look at your budget and change something?
