

Losing My Religion: April 21

//DISCUSS

Q1 – Have you ever boycotted something?

What was it and what made you want to boycott it?

Q2 – What would people say you are known for?

What would people say you are against?

Q3 – We tend to define God according to our experiences with our earthly father.

In what ways is this helpful and in what ways is this not?

Q4 – Matt. 7:11 Says, “Your father in heaven gives good gifts to those who ask him.”

Do you believe this? Why or why not?

Q5 – CHALLENGE: How might you treat people differently if you realized your calling is to reflect the irrational love of your father to the world around you, as opposed to boycotting everything that frustrates you?

//PRAY

Lord, we pray that you would help us to see you as a good father. That you have good gifts for us, your children. May we live in the reality of your irrational love for us and give that love to others.
