

The Opposite of Spoiled: Feb. 25

//DISCUSS

- Q1 – What kinds of things do you find yourself griping or complaining about most often?
- Q2 – Read Acts 2:44-45. What drew people to the early Christians was their generosity, not their theology. What could this look like for your life or for your family or your community?
- Q3 – Have you ever picked a percentage of your income to give consistently to your local church?
Was this difficult for you to do? What did it do for your life or in your heart?
- Q4 – Being thankful is a thought or a feeling, but gratitude is always an action.
It compels us to do something.
Who in your life deserves a thank you or acknowledgement?
How or when could you let them know this?
- Q5 – Have you ever noticed a connection between thankfulness and peace?
Read Phil. 4:6 and discuss.
- Q6 – What kind of repeatable rituals could you put in place in your life to help you give more consistently and be more grateful?

//PRAY

Lord, we pray that you would help us to practice gratitude so we can experience your peace. That we would trust you as our provider and seek to be generous with all we have.
