

## Bad Neighbors: Jan. 5

### //DISCUSS

Q1 – How well do you know your neighbors? Are there neighbors that you envy?  
Why or why not?

Q2 – Most of us don't mind OCCASIONALLY sacrificing for those FAR from us but find it difficult to CONSISTENTLY sacrifice for those CLOSE to us. Why is this?

Q3 – Whoever you don't want to be neighborly to is exactly who you ought to be neighborly to.  
Who is this for you?

Q4 – In what ways do you at times justify your actions?  
Justify means to attempt to prove that what you're already doing is right.

Q5 – What kind of neighbor are you? Are there any ways you want that to change?

**Challenge:** This week take the time to meet & learn the names of your immediate neighbors.

### //PRAY

Lord, we pray that you would help us to see everyone as our neighbor. That we would seek to understand, love, and serve those around us.
