

Fight Songs: April 6

//DISCUSS

- Q1 – Have you ever been invited to something & realized what you thought it was and what it actually was, were two totally different things?
Maybe a gathering or party, a meeting, a movie, etc.
- Q2 – Our experiences define our expectations, and our assumptions dictate our actions.
Can you think of a time when you and someone else both heard the same thing, but you were thinking one way about it and someone else thought something totally different?
- Q3 – Some people lift every room they're in making everything better & everyone better because of them. Do you know anyone like this? What makes them that way?
- Q4 – What is following you?
Goodness & mercy/Fear & anxiety/Anger & resentment/Love & generosity/Sadness/Joy/
Stress/Peace?
- Q5 – A healthy spiritual life often involves as much unlearning as it does learning.
What are you unlearning about God & how He thinks of you?
What are you learning about God & how He thinks of you?
- Q6 – You can always come home. The door is always open, the table is always set, and your heavenly father is always happy to see you.
How does it make you feel to hear this?

Homework: Write a truth you struggle to believe about yourself. Keep it in your pocket, repeat it daily, & live like it's true.

//PRAY

Lord, we pray that you would replace what is in our heads with your voice and the filter we are seeing things through with your eyes.
